

# The Classic Parasol

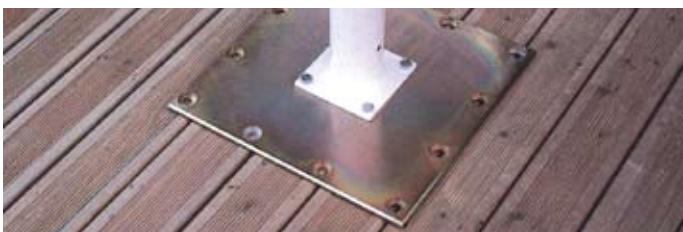

## High Quality Garden Umbrellas

Shades of Comfort offer a varied range of the classic pub umbrella by developing this concept to provide high quality products.

Manufactured with the highest quality tested materials, our parasols are available in both Aluminum and wood. As standard they are supplied with no graphics printed but this is an ever increasing option that is chosen with the benefit of not having a minimum order.

As our parasols are available in a variety of styles, shapes, sizes and colours these parasols are a welcome feature to any garden.

## Pedn Olva Hotel, Cornwall

The Pedn Olva is arguably the most popular Hotel in this lovely seaside town.

This hotel has a large spacious terrace accommodating space for a large number of guests.

The high number of tables has our Parasols stabilised through the centre of the table offering shade from the strong Cornwall sun. This provides practicality to outdoor diners and just as importantly, are extremely appealing to the eye attracting the attention of passing trade.
