

## Terrace Screens

Our terrace screens are the perfect solution to develop your terrace, patio or pavement space, shielding alfresco areas from the wind and improving street-level presence!

In addition to an extensive range of standard screens and accessories, bespoke solutions are available. Terrace screens can be supplied matched to corporate colours, with logos, branding or an advertising message pre-applied, this will increase the visual impact of your premises helping to attract passers-by and increase footfall.

Available styles –

Our terrace screens are manufactured to the highest quality and are made in England, all glass is 6mm toughened safety glass, framework and brackets are powder-coated aluminium and for increased durability fixing hardware is hot dipped galvanized steel. With minimal maintenance these terrace screens will look good and enhance your business for years to come.
